About myself

I am Nazifa Rahimy, a passionate web designer and front_ end developer eager to learn and grow in the field of web development.

I love creating clean and responsive web pages and continuously improving my skills in modern web technologies such as React and Tailwind CSS.

Born: December 15, 2002

Education

Shahrak e Safaa Girls High school

Graduation Year: 2021

Online Web Development Courses —2024 – Present

Learned front-end technologies including HTML, CSS, JavaScript, React, and Tailwind CSS through online platforms such as YouTube and educational websites.

Experience

I do not have formal work experience yet, but my personal projects available on GitHub Demonstrate my web development skills and enthusiasm for learning.
